About Me

Hi, my name is Abdelfattah Walead, and I've been getting to know programming, website development, construction, and React.js. I've spent most of my time learning and building websites in my specialties, building up state-of-the-art Web sites through React.js.

I love learning and researching and am interested in everything new about the software.

EDUCATION

2020-2023 | Al-Shatbi Mechanical Secondary

SKILLS

React fundamentals (JSX, Virtual DOM, Node.js , JavaScript (ES6))
CSS, HTML , GitHub React router React redux Redux Toolkit
Tailwind CSS Problem-Solving Skills Bootstrap React Bootstrap
Material UI.

WORK EXPERIENCE

2023-2023 | No experience with companies, but there are projects

I made a web site using React.js and J avaScript, and used some of their libraries Bootstrap and React Bootstrap and React router and React redux and TailwindCSS , It was uploaded via GitHub and Netlify.

I also Bluid an wed site admin dashboard, I used react and javascript, some libraries, material ui nivo charts full calendar formik yup validation react pro sidebar google fonts, I faced some problems, but I searched and solved it, even if it took me some time, but I learned something new and learned a lot from this site.
